Dancers chosen to compete will have demonstrated a level of excellence in their classwork. Participants in YAGP receive feedback from highly recognized school directors, artistic directors of professional companies, and working ballet dancers. The competition also includes ballet masterclasses in a studio setting taught by the judge's panel. Participation in YAGP is by invitation only. Students

The private rate is \$60/hr plus the studio rental fee. Competition dates will be released at the end of July. YAGP competitors should plan for at least two competitions. All teacher travel expenses and accommodations will be divided among attending competitors.

## Assistantships:

Assistantships are offered to students at the discretion of their teacher. Students must demonstrate extreme proficiency to aid the development of younger dancers. Students assisting in one class will receive a 25% tuition discount (not applicable for private lessons) and a 50% discount for those assisting in two or more classes. Assistantships are chosen during The Classical Intensive each summer.

## Performance Opportunities:

Students in Pre- Pro 1 will perform in recital with their block class. Students in Pre- Pro 2 will perform one group Pre-Professional number, as well as, a number for Pointe II. Rehearsals will begin 9:00 am- 12:00 pm March 4, 2022 and end May 20, 2022. All rehearsals are mandatory.

## Attendance:

Attendance to all classes is mandatory. Classes may not be substituted with private lessons, day program attendance, or any other supplementary instruction. **Students with two or more absences per semester (August- December, January-May) will be removed from the program.** Doctor's notes are required for contagious illness. Injured dancers are expected to observe all classes and be actively engaged and taking notes to continue their development. No refunds will be given.

## Photoshoot:

All Pre- Professional students will be invited to participate in promotional photos for the program in the Spring. Date is TBD. All students will need a black Wear Moi 'Faustine' style leotard that can be purchased directly through Discount Dance Supply or Wear Moi website. These leotards tend to backorder, so please order sooner rather than later.

## Class uniforms:

- Tights must be worn under leotard at all times.
- Leather shoes are required.
- Pre-Pro 1 students may wear any color leotard.
- Pre-Pro 2 students must wear any style black leotards. Colored leotards are reserved for private lessons or rehearsal only.
- Students must have their hair pulled back away from the face and secured neatly in a classical bun.
- For students with textured hair that is in braids or twists, please secure hair back without loose ends and off the nape of the neck.
- Ponytails and sloppy buns are unacceptable.
- Students may not wear jewelry, other than pierced ear studs, in class or rehearsal.

## Class Etiquette:

- Each student is expected to approach all classes with energy, enthusiasm, and the desire to learn.
- Students should maintain an open and responsive attitude and apply all corrections given in class and rehearsals.
- Students may not enter class late or leave class early. Injuries are caused by insufficient warm-up, and interruptions are distracting to the other students in class.
- Students must be fully prepared: hair done, shoes on, at the barre, at the start of their class time. Unprepared students will be excused.
- Water only is permitted in the studio.
- Students may not talk during class.
- Students must always be in uniform.

## Evaluations:

Each student will receive a written evaluation of the student's progress in December and May. Evaluations will have areas of greater focus, summer intensive suggestions, and other information to aid in the dancer's growth.

## Summer Programs:

Students in the Pre- Professional Program are strongly encouraged to attend a summer intensive. Summer intensive audition photos will be taken Friday, December 16 from 4:00-6:00pm. Any additional audition requirements such as class work or variations videos must be scheduled separately and well in advance. Summer intensive auditions are January- March. Many auditions require travel to Houston or other areas. Audition dates are published in late November to allow for planning.
