

Classical Ballet Intensive

The Classical Ballet Intensive is a summer program open to students ages 8 and up and will place strong emphasis on correct classical technique and development of a dancer's eye for detail. Students will be pushed beyond what recreational classes offer to allow for greater improvement in both technical proficiency and artistry. The Classical Ballet Intensive is open to all students of Tari's School of Dance, as well as, other dancers in the Baton Rouge area. Dancers 12 and up that are not en pointe may participate in Advanced classes on flat. Students interested in auditioning for the Fall Pre-Professional Ballet Program should plan to attend at least one week of the intensive but multiple weeks are encouraged.
